

I strongly urge the honorable commission to uphold current legislation in regards to Broadcast Ownership. It helps to ensure the market diversity necessary to create a balanced, unbiased coverage of media and events, increases the quality of knowledge i.e. differing news sources, of the general public and promotes as opposed to inhibits a properly functioning democracy. Again, I urge the commission to uphold current legislation in regards to Broadcast Ownership. Thank you for your time and consideration in this most important of matters: the controlling of information.
